Please the next page for important notices!

- This event is being held at an Orthodox Christian Monastery; modest, church-appropriate attire is required in the Oratory and the Lodge.
- We suggest that those who plan on hiking or doing other outdoor activities in the allotted free time make use of sun-screen.
- Most of the guest rooms accommodate 2 to 4 persons and will be shared in order to allow as many people as possible to participate in the Pilgrimage. Room assignments are made as reservations are received. We welcome guests to bring their RV's or tents and place them in designated areas of the campus.
- Due to our limited solar power, hair dryers and other electric personal appliances (except for medical equipment) are not allowed.
- There is a dog on the premises.
- The Creek is "high" this year. Water-proof boots may be required in order to cross it on foot.
- Great Silence means no talking or use of electronic equipment in the common areas or on the grounds of the central campus.
